

FISCAL NOTE

SB 1832 - HB 1910

March 26, 2001

SUMMARY OF BILL: Exempts historic boilers from the standards of the board of boiler rules. Defines historic boilers to mean any steam traction engine, portable, or stationary, standard or non-standard power boiler; including free-lance and scale models, owned by publicly-operated museums, nonprofit organizations and individuals who preserve, maintain, exhibit and only occasionally operate these boilers on a not-for-profit basis and for the primary purpose of perpetuating the agricultural and pioneer heritage of Tennessee.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - Not Significant

Decrease State Expenditures - Not Significant

There are few such boilers and any decrease in inspection fees or reduction in state expenditures from not having to inspect such boilers is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
